(E) Any other agreement or contract against which individual orders or purchases may be placed.

(iii) All calls and orders awarded under the indefinite delivery vehicles identified in paragraph (a)(1)(ii) of this section.

(2) Agencies participating in the Small Business Competitiveness Demonstration Program (see Subpart 19.10) shall report as a contract action each award in the designated industry groups, regardless of dollar value.

(3) The GSA Office of Charge Card Management will provide the Government purchase card data, at a minimum annually, and GSA will incorporate that data into FPDS for reports.

(4) Agencies may use the FPDS Express Reporting capability for consolidated multiple action reports for a vendor when it would be overly burdensome to report each action individually. When used, Express Reporting should be done at least monthly.

(b) *Reporting Other Actions.* Agencies may submit actions other than those listed at paragraph (a)(1) of this section, and must contact the FPDS Program Office at *integrated.acquisition@gsa.gov* if they desire to submit any of the following types of activity:

(1) Transactions at or below the micro-purchase threshold, except as provided in paragraph (a)(2) of this section.

(2) Any non-appropriated fund (NAF) or NAF portion of a contract action using a mix of appropriated and non-appropriated funding.

(3) Lease and supplemental lease agreements for real property.

(4) Resale activity (*i.e.*, commissary or exchange activity).

(5) Revenue generating arrangements (*i.e.*, concessions).

(6) Training expenditures not issued as orders or contracts.

(7) Grants and entitlement actions.

(8) Interagency agreements, also known as interservice level agreements, memoranda of understanding, or memoranda of agreement.

(9) Letters of obligation used in the A-76 process.

(c) *Actions not reported.* The following types of contract actions are not to be reported to FPDS:

(1) Imprest fund transactions below the micro-purchase threshold, including those made via the Government purchase card (unless specific agency procedures prescribe reporting these actions).

(2) Orders from GSA stock and the GSA Global Supply Program.

(3) Purchases made at GSA or JWOD service stores, as these items stocked for resale have already been reported by GSA.

(4) Purchases made using non-appropriated fund activity cards, chaplain fund cards, individual Government personnel training orders, and Defense Printing orders.

(d) Agencies not subject to the FAR may be required by other authority (*e.g.*, statute or OMB) to report certain information to FPDS.

EFFECTIVE DATE NOTE: At 73 FR 53994, Sept. 17, 2008, section 4.606 (c)(3) was amended by removing “JWOD” and adding “AbilityOne” in its place, effective October 17, 2008.

(2) Do not contain the clause at 52.204-7, Central Contractor Registration.

(b) Insert the provision at 52.204-5, Women-Owned Business (Other Than Small Business), in all solicitations that—

and “contractors” include “subcontracts” and “subcontractors.”

4.701 Purpose.

The purpose of this subpart is to generally describe records retention requirements and to allow reductions in the retention period for specific classes of records under prescribed circumstances.

4.702 Applicability.

(a) This subpart applies to records generated under contracts that contain one of the following clauses:

(1) Audit and Records—Sealed Bidding (52.214-26).

(2) Audit and Records—Negotiation (52.215-2).

(b) This subpart is not mandatory on Department of Energy contracts for which the Comptroller General allows alternative records retention periods. 4.703 Policy.

(a) Except as stated in 4.703(b), contractors shall make available records, which includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form, and other supporting evidence to satisfy contract negotiation, administration, and audit requirements of the contracting agencies and the Comptroller General for (1) 3 years after final payment or, for certain records, (2) the period specified in 4.705 through 4.705-3, whichever of these periods expires first.

(b) Contractors shall make available the foregoing records and supporting evidence for a longer period of time than is required in 4.703(a) if—

(1) A retention period longer than that cited in 4.703(a) is specified in any contract clause; or

48 CFR Ch. 1 (10-1-08 Edition)

(2) The contractor, for its own purposes, retains the foregoing records and supporting evidence for a longer period. Under this circumstance, the retention period shall be the period of the contractor's retention or 3 years after final payment, whichever period expires first.

(3) The contractor does not meet the original due date for submission of final indirect cost rate proposals specified in subparagraph (d)(2) of the clause at 52.216-7, Allowable Cost and Payment. Under these circumstances, the retention periods in 4.705 shall be automatically extended one day for each day the proposal is not submitted after the original due date.

(c) Nothing in this section shall be construed to preclude a contractor from duplicating or storing original records in electronic form unless they contain significant information not shown on the record copy. Original records need not be maintained or produced in an audit if the contractor or subcontractor provides photographic or electronic images of the original records and meets the following requirements:

(1) The contractor or subcontractor has established procedures to ensure that the imaging process preserves accurate images of the original records, including signatures and other written or graphic images, and that the imaging process is reliable and secure so as to maintain the integrity of the records.

(2) The contractor or subcontractor maintains an effective indexing system to permit timely and convenient access to the imaged records.

(3) The contractor or subcontractor retains the original records for a minimum of one year after imaging to permit periodic validation of the imaging systems.

(d) If the information described in paragraph (a) of this section is maintained on a computer, contractors shall retain the computer data on a reliable medium for the time periods prescribed. Contractors may transfer computer data in machine readable form from one reliable computer medium to another. Contractors' computer data retention and transfer procedures shall maintain the integrity, reliability, and
